Amendments To The Specification:

In the English translation document, please delete the term --Description-- at amended sheet 1 line 1, before the title.

In the English translation document, please add the section heading and paragraph at amended sheet 1 line 5, after the title, as follows:

--CROSS REFERENCE TO RELATED APPLICATIONS

This application is the US National Stage of International Application No. PCT/EP2004/005826, filed May 28, 2004 and claims the benefit thereof. The International Application claims the benefits of German application No. 10325801.9 DE filed June 6, 2003, both of the applications are incorporated by reference herein in their entirety.--

In the English translation document, please add the section heading at amended sheet 1 line 5, after the newly added CROSS REFERENCE TO RELATED APPLICATIONS section, as follows:

--FIELD OF INVENTION--

In the English translation document, please amend the paragraph at amended sheet 1 lines 5-7, as follows:

The invention relates to an acoustic pick-up, more particularly an ultrasonic pick-up for acoustically diagnosing machines, **according to the preamble of claim 1.**

In the English translation document, please add the section heading at amended sheet 1 line 9, as follows:

--BACKGROUND OF INVENTION--

In the English translation document, please add the section heading at amended sheet 2 line 12, as follows:

--SUMMARY OF INVENTION--

Serial No. Not Yet Assigned
Atty. Doc. No. 2003P07168WOUS

In the English translation document, please amend the paragraphw at amended sheet 2 lines 12-22, as follows:

AnThe object of the invention is to provide an acoustic pick-up, more particularly an ultrasonic pick-up for acoustically diagnosing machines, which pick-up can function without an external auxiliary power supply and enables a measurement signal to be transmitted in a frequency range that is to be evaluated.

To achieve said object the new acoustic pick-up of the type mentioned at the start has the features described in the ~~characterizing part of claim 1-claims. An advantageous development of the acoustic pick-up is described in claim 2.~~

In the English translation document, please add the section heading at amended sheet 4 line 5, as follows:

--BRIEF DESCRIPTION OF THE DRAWINGS--

In the English translation document, please add the section heading at amended sheet 4 line 27, as follows:

--DETAILED DESCRIPTION OF INVENTION--

In the English translation document, please replace the paragraphs from page 1 line 1 through page 4 line 34 with the paragraphs based on the amended sheets 1-4a, as further amended above.
